Marital Dissolution & Child Custody

Every family is unique, and our clients benefit from the Firm's attorneys understanding the dynamics of each family. From separation agreements to uncontested divorces to post-divorce modifications, Hutchison & Steffen attorneys consider each client's individual needs and goals in the context of the law to tailor an effective strategy for that client.

Marital Agreements

Premarital agreements serve a variety of purposes. These agreements can remove issues from litigation and serve as an asset protection tool, for both spouses. Hutchison and Steffen's attorneys often couple a marital agreement with an estate plan to further our clients' asset protection goals and peace of mind.

Whether an agency, private, interstate, international, or special needs adoption, Hutchison & Steffen can navigate through the various court processes to finalize adoption matters. In addition, the Firm can assist with postadoptive contact agreements, sibling visitation agreements, and consents for adoption.
